

## Makhalla is a small country

The peculiarity of mahalla is that all residents live in peace and harmony with each other, show respect and care for elders, help each other, keep the streets clean and orderly. In order to further develop cooperation with "Mirzakalon Ismoili" mahalla of Mirzo-Ulugbek district of Tashkent, faculty members of the Faculty of Energy of Agriculture and Water Resources met with the youth of the mahalla and introduced them to the life and activities of the Institute. They visited the Information and Resource Center of the Institute, the Abdulla Aripov Museum and the Sports Complex.
