

A special Visit to the Ancient Samarkand

It is interesting to mention that students of the 206th group Hydro Meliorative works Faculty made a visit to some sightseeing of Samarkand including the State Historical Museum and by the way, they decided to visit Nurabad region, which is famous with its historical monuments and shrines located there.

It is important to suggest that Associate professor T.A. Khaidarov in the group of students and together with the monitor and trainer of the group, on October 17, 2021, arrived to Samarkand and Nurabad districts to spend the free time effectively. The visitors had a lovely time there and returned Tashkent with lots of positive impressions.
