

The fifth day of the project

To implement the five initiatives put forward by the President and to conduct meaningful free time for students, the project "Youth Week 2019" carried out by the primary organization of the Youth Union of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers. The fifth day of the project continued with events for girls, contests, intellectual games and debates. Early in the morning, preparations began for the fifth day. At 10:00 at each faculty, round-table discussions held on the topics "Exemplary Teacher" and for girls from each faculty with the participation of female guests, "Yoshlik Choqimda". The round table watched by the vice-rector for work with youth, the psychologist of the institute, and the chairperson of the women's committee of the institute. Of course, we thank all the faculties. In particular, the psychologist needs to organize more meetings with the girls.

2. Badminton competitions organized among students. Competition Results:

1st place - Faculty of Irrigation and Reclamation

2 place - faculty of mechanization of agriculture and energy supply of agriculture and water management

3rd place - no!

3. Semifinal and final debate games have passed.

1st place - Faculty of Organization and Management of Water Management

2 place - faculty of mechanization of agriculture and energy supply of agriculture and water management

3rd place - no!

3. The competition "Creative Show" held among girls from European groups. From the speeches it was not difficult to understand that all the faculties very well prepared free subjects, said Chief Justice Jamshid Komiljonov. "I thank all the teams," said one of the jury members. However, we regret the flaws. Of course, this competition held immediately after the reconstruction of our Palace of Culture. Then everything will be fine.

So far, the results are as follows: two 1st places, two 2nd places, 3rd place is not. The conclusion of the commission was as follows:

1st place - team of the Faculty of "Organization and Management of Water Management" and "Land Management"

2nd place - a team of the faculty of "Hydraulic engineering and the faculty of energy supply of agriculture" and "Water management";

4. In the student dormitory for students, within the framework of the Youth Week, in honor of the International Students' Day, the vice-rector for youth affairs organized a special concert. The concert attended by artists and singers.

5. A trip to Tashkent city was organized. Students traveled with their supervisors.

6. In the student dormitory, the game "Brain Ring" (Interview) held between students of faculties.

1st place - a team of girls from the faculty of organization and management of water management;

2nd place - a team of girls from the faculty of agricultural mechanization;

3rd place - the team of the faculty of energy supply of agriculture and water management.
