

## Meetings of senior officials with youth

Obviously, meetings with outstanding people of their specialty, gives the students energy, hope, confidence and encouragement. We all know that such meetings are necessary to become aware of the goals and aspirations of the youth and to motivate them to reach achievements. According to the analysis, over the past three years, 43 laws and other regulations have been adopted to strengthen the legal framework of the state youth policy, and some 70 legal acts have been amended. The meeting of the Chairman of the State Committee for Land Resources, Geodesy, Cartography and State Cadastre of Uzbekistan Abdullaev Abdushukur Khamidovich with the undergraduate and graduate students studying in the field of geodesy, geoinformatics, cartography, state cadastres, land resources was held on February 18. The event was held by the Vice-Rector of the Institute for Youth Affairs R.Choriyev. Dean of the Faculty of Land Management Sh.Norboev, as well as students and professors of the faculty participated in this meeting. In his speech Abdullaev Abdushukur Khamidovich spoke in detail about the news and problems in the field. He noted that there is an opportunity for solving cadastral housing in the office if needed. He noted that the availability of accurate measuring optical devices can be solved positively with the use of remote camera - drones. After that, R.Choriyev made a speech to one of the responsible leaders of the Republican Youth Union Farhod Omonov.

During the meeting there were accepted comments and suggestions from young people who work in the system. There is no doubt that such meetings give the young specialists energy, enthusiasm, and dedication to their work.
