

Putting the five initiatives into practice

The implementation of five important initiatives put forward by President Shavkat Mirziyoyev to boost the morale of young people and organize their leisure time in a meaningful way continues. For the purpose of employment of girls and their professional training in student dormitory No. 2, the "Cooking" circle was created within the framework of the 5th initiative.

On April 16, 2021, under the leadership of B. Mamadaminova, Chairwoman of the Women's Council of the Faculty of Hydromelioration Mechanization, and H. Batyrova, member of the Council and Head of the Club, Dilshoda Sobirzhonova, student of the Faculty, and her students cooked delicious baked goods. The club will play a big role in preparing girls for family life.
