

## The memory of the great poet is eternal

Yesterday, students of the 307th group of the direction of education "Innovative technologies and their use in the water sector" of the Faculty of Hydromelioration under the guidance of the curator of the group Sanobar Dustnazarova visited the recently opened youth park-museum named after Abdulla Aripov and the museum. During the visit, the students got acquainted with the rare exhibits in the museum, which tell about the life and work of the great poet.

Azizbek Hasanov, a student of the group, told about the life of the poet, the poet's creative difficulties before independence, and at the end of his speech read a poem "Uzbekistan is my Motherland". The students returned from the museum with great impressions.
