

Followers of An-Nasafi

On the initiative of the team of the Academic Lyceum at Karshi branch of TIAME together with the Department of Public Education of Kashkadarya region the regional stage of the mathematical Olympiad "Followers of An-Nasafi" was held on April 17, 2021. The first round of the Olympiad was held at the district and city levels, and the most talented students took part in the regional stage of the subject Olympiad. The final stage of the subject Olympiad was held in the Academic Lyceum at the Karshi branch of TIAME. The students were given 90 minutes to solve 25 open and 5 closed test questions. To ensure the transparency of the Olympiad, volunteers from among parents and teachers were selected.

According to the results of the Olympiad, the 1st place was taken by the pupil of the 5th school of Kitab district Holiyorov Muhammad Salom ugly, who received 87 points. He was given a microwave oven and a 1st degree diploma. The pupil of 6th school of Dehkanabad district Islamov Davron Elboy ugly took the 2nd place and got 86 points. He was presented with a Tefal thermos and got the Diploma of 2nd degree. Rakhimov Askar Mahmud ugly from Kitab received valuable gifts - an iron and diploma of the 3rd degree. Other students were awarded with diplomas and memorable gifts.
