

Visit to Exhibition

On May 15-17, 2012 at UzExpoCenter in Tashkent international exhibitions on energy and oil and gas sectors were held under the name "Power Uzbekistan-2019" and "OGU-2019".

Students of the 2 nd course "Power Engineering" direction of "Agriculture and Water Resources Energy" faculty are members of the Department of "EcoWeek" dots. O.J. Pirimov, assistants A.Sanbetova and O. Kilichov participated in the ENERGETICA exhibition organized at O'ZEKSPOMARKAZ in Tashkent on 16 May. The exhibition featured contemporary electronic devices, newly created renewable energy sources, mobile power plants and innovative technologies. Students gained interesting and relevant information in the field.
