

Around the globe

Television is a symbol of national life. It is valuable as a means to alert people to their worries. Meetings with TV and radio, as well as a broad range of creative dialogues, create a great opportunity for our social life. "Dunyo bo'ylab" TV channel's creators have been loyal to a tradition for two years. This time they organized a meeting with the students of our Institute.

On March 29, 2011, Gafir Jamolov, a chief editor of "Information-analytical programs" on the TV channel "Dunyo bo'ylab", chief editor of "Children's and Youth Program", Ph.D Farrukh Olimov, editor-in-chief of "Kinoteatr" Abdulkhay Avazkhon Khashimov, the leader of the program "Yashil sayyora", "Turfa olam", responded to the students' questions.

It is no secret that the President pays special attention to tourism as one of the important directions of our development. It is noteworthy that the Tourism Company is working as an information partner of the channel "Dunyo bo'ylab".
