

## A strong shield of people

"The army is a strong shield of our people!" Says President Shavkat Miromonovich. From the first years of independence the issue of strengthening the defense of our country has been identified as one of the priority directions of the state policy. Today we should be proud of the potential of our armed forces and the courage of our brave men.

Under the initiative of the Women's Committee of the Faculty of Agriculture and Water Resources, an essay contest on the theme "My Army is my pride!" was organized by the Women's Committee of the Faculty of Agriculture and Water Resources. The girls who took an active part in the contest and expressed their ideas in a creative manner were awarded by the organizers.
