

Our pride

Elections, which are an important criterion of democracy, are the selection of forces that can be the basis for the development and prosperity of any state. It is well known that the developed democratic countries of the world are formed by the election of state bodies. Since ancient times, the electoral process has ensured the legitimacy of the activities of the supreme bodies of state power.

Elected four candidates from our institute has become also a source of pride. As a result of recent elections, it is also worth noting once again to get acquainted with the elected teachers.

Vice-Rector for Youth Affairs of the Institute Choriev Ruzimurod Kungratovich from Xalq Democratic Party of 17th Minglola Electoral District was elected. The success of Karimov Abdurahob Abdusattorovich is also encouraging. Good luck to all of them!
