

Visit in the School of Music and Arts No.1 in Karshi

On February 27, 2020, the faculty and students of the Karshi branch of the Institute for Foreign Economic Relations, Education and Science visited the School No.1 of Karshi. During the visit, Director of the School Honored Artist of Uzbekistan Fahriddin Umarov, who led the guests, familiarized himself with the conditions at the school and said it was a great honor to serve young people in music, painting, literature, theater and other arts. At the end of the visit, a musical event prepared by the school team for the faculty and presented for students.
