

Corruption is a crooked wall

When it comes to corruption, there has been a great deal of talk about the damage of it to developed countries. But we are still powerless to get rid of its roots. Therefore, the fight against corruption should not be stopped for a second. The event, devoted to this issue, was organized at our institute. It was attended by Gayrat Mamayusupov, a State Security Service officer, who shared his views on the issue. In his speech, he spoke enthusiastically about students' comments about corruption. During the event, was shown a documentary film titled "Corruption is a crooked wall" by the State Security Service of the Republic. Scam is a source of corruption.

Vice-Rector for Youth Affairs R. Choriev shared his impressions with the participants of the event. They also pointed out that anti-corruption is the command of every human conscience. Participants supported the point of view by the Dean of the faculty "Organization and management of water resources" R.Hakimov and R.Djumaniyozov.
