

Information and curatorial hours: experience and analysis

Information and curatorial hours: experience and analysis

February 24, 2020, a meeting of the curators of the faculty of irrigation and drainage departments with the chairman of the Council of curators of the institute Z. Ismayilova, the head of the department of spirituality and education Z. Khaidarov, the main curator of the faculty of irrigation and drainage D. Nazaraliev on the topic "Information and curatorial hours: experience and analysis". During the event, all faculty teachers expressed a number of proposals regarding experience, working methods and results.

The curator is an experienced mentor, a wise counselor who helps students adapt to changing conditions, join the team, and also always be aware of events in the life of the faculty and the university. The curator is entrusted with a serious mission, which includes comprehensive assistance to students in various fields: study, resolving scholarships, bonuses and living in a hostel, organizing social events, supporting research and development, and much more.

During the meeting, curators asked questions, expressed their opinions and suggestions. As a result of the meeting with the curators of the groups, proposals were received on a number of issues.

The head of the press service of the institute Rakhimboy Djumaniyazov.
