

## Students are in the military

“Strengthening the fighting spirit and combat and professionalism

training is the duty of every serviceman! ”

On the 25th of February, 2020, military exercises under the Ministry of Defense of the Republic of Uzbekistan held in order to strengthen the theoretical knowledge of the students of the military department.

The exercises were conducted by skilled military personnel, in which students were introduced to the combat characteristics of combat weapons and engineering techniques, working procedures, as well as the principles of operation of emergency equipment. The information provided by the training supervisors at the military training camps for students in the military provided the basis for future practice.

**Information from the head of the military department Lieutenant-Colonel R. Minlishev**
