

Visit to the Palace of Youth Creativity

Students of groups 306, 307 of the educational direction "hydropower facilities in irrigation systems" of the faculty of hydraulic engineering, group coaches S.K.Khidirov and F.F.K., assistant professor of the department "Water power engineering and use of pumping stations" visited "The Palace of Youth Creativity" under the guidance of Artikbeks. The proposal of the Agency for Information and Mass Communications, the Agency for Youth Affairs, the Ministry of Culture and the Union of Writers of Uzbekistan to establish the first week of April as the "week of reading" in Uzbekistan was approved.

In this regard, "reading week" events will be held all over the country on April 5-9. Today, for the first time in Uzbekistan "week of reading" is held in the National Library of Uzbekistan named after Alisher Navoi, the Republican Palace of Youth Creativity, information-library centers of the Republic of Karakalpakstan and regions. Students have purchased books at the book fair organized in the "Republican Palace of Youth Creativity". Such events undoubtedly play an important role in the spiritual maturation of youth.
