

The championship at TIAME among female students

It is interesting to note on October 18-19,2021 there was organized the championship at TIAME among female students under the motto "Sport is a guarantee of healthy life". The event was organized between faculties on different sport activities, including volleyball , where the first course students participated. The competition was organized by the Chairperson of the Women's Council Z. Ismailova   

The competition was meaningful and efficient, and the winning teams were determined as follows:

The team of students from Hydro technical Construction Faculty took the 1st place.

The team of students from Hydro melioration Faculty took the 2nd place

The staff of the Land Cadaster and management took the honorable the 3rd place.
