

## Sports month

Sports month is in progress in the faculty of Management of Water Resources. This week on February 18-23 a volleyball competition has been hold. The contest was organized as divisions of groups.

The competition is going in high spirit. Winners will be awarded with diplomas and prizes at the Navruz celebrations.

Dear students, take active part in sports months!

Report by Kh.Eshova, a deputy dean of the faculty of MLR

R.Jumaniyozov, the press secretary of the institute
