

## Visit the sacred place

It is well-known that today, our homeland, in general, Muslims around the world are celebrating the holy month of Ramadan. In the mosques of our country, conferences are being held one after the other.

At the same time on May 20, a group of students of group 215 "Meliorative hydrogeology" and group supervisor S.Kadirov visited "Zangiota" sanctuary on the second stage of "Hydroelementation" faculty. After reading the Holy Quran in the mausoleum, the Comprehensive Officer gave a brief overview about the mausoleum and the life of the great Zangiota.
