

Talented students are our future

Our country pays special attention to the encouragement of talented youth, their wide involvement in active creative activity, support and worthy rewarding of talented students and undergraduates. Every year, students of higher educational institutions with excellent grades and taking an active part in scientific work are awarded state scholarships of the Republic of Uzbekistan.

On May 21, 2021, the department for the organization of research work for gifted students organized a webinar-seminar on the preparation and submission of documents for state scholarships of the Republic of Uzbekistan.
