

## A visit to Darkhan makhalla

It is known that territory of Darkson makhalla is assigned to Master department and "HTIvMK" of Darkson mahalla, located in the Mirza-Ulugbek district of Tashkent city. On June 18, 2021 the vice-rector for Finance and Economics of TIIAME- prof. B. Khasanov, head. Master department prof. A. Yangiev visited makhalla. In the Spirituality room by A. Yangiev and the employees of the department of State Technical Institute of Moscow Medical Institute were presented books of art, that are interesting to young people. During the visit they learned about the conditions of two orphan grandchildren of Farmonov Roziya. In addition, the youth from this district was invited to go in for different kinds of sports in order to support in spending the free time of children and even creating an opportunity to attend the sports grounds of the Institute.

The head of the department is A. Yangiev.
