

## Organizing the seminar-training on gender equality

It is important to mention that by the initiative of the Chairperson of the Senate of Oliy Majlis of the Republic of Uzbekistan -Tanzila Narbaeva, for the first time in the region was held a Republican seminar-training on the topic "The role of female in the implementation of the strategy for achieving gender equality" , which was organized at Fergana State University. The opening ceremony was attended by the Ministry of Higher and Secondary Specialized Education, the Ministry of Internal Affairs, the Committee for Religious Affairs, the Main Directorate for Crime Prevention, the Mahalla and Family Research Institute, the International Islamic Academy of Uzbekistan and Tashkent officials of State University of Oriental Studies and chairpersons of the Advisory Councils for Women's Affairs of all higher educational institutions in the Republic made reports about the strategy for achieving gender equality.

The Minister of Higher and Secondary Specialized Education Abdukodir Tashkulov participated in the online event and they suggested that the prosperity and development of each higher educational institution is the result of holistic and selfless work of our women that are working in this sphere. Z.Ismailova also took part at the organized event and gave interview about the participants by providing details on the organized international conference which was held at the institute on March 2-3, 2021. It was noted that such international conference was held for the first time, and the issues raised at the event , relating women concerns not only our republic, but throughout the world. Besides that excursions to the Center for Research on Gender Equality, the Innovation Center "BOLAZHON" and "TTJ" were organized for the participants of the seminar.

The great experience in organizing Ferghana practice at the institute in order to widen the possibilities for the participation of female gender In research activities to facilitate the learning and working with young professors, married ones and graduate students with working families as well.She informed that the creation of the Center for Research on Gender Equality at the Institute, opening of BOLAJON innovation center was a better opportunity for all of us. We are confident that the worldwide conferences and seminars will provide an opportunity for direct exchange of experiences and new ideas in a number of areas. Certainly, all this will lead everyone, whether it be an employee or a teacher, to improve the work of their existing team and achieve new activities, plans and achievements.
