Without knowledge of the past, there is no future. In order to get acquainted with the historical monuments of our country, 4th year students of the 403th group of the faculty of Land management under the guidance of the group's tutor visited Barakhan madrasah in Tashkent.

During the visit, students received information about historical monuments. In addition, they met with tourists from Australia, Italy and Germany who came to Tashkent. Students provided guests with detailed information about our institute and took pictures with them.
