

"My young years"

✘ On November 15, 2019, on the 4th floor of the building of Building "G", a spiritual and moral event on the theme "My Young Years" organized for students of the faculty "Irrigation and drainage reclamation". The event attended by vice-rector for Youth Affairs R. Choriev, Chairperson of the Women's Committee of the institute Z. Khafizova, Senior Lecturers of the department "Physics and Chemistry" N. Tukhtaeva and Z. Beknazarova, deputy dean for Youth Affairs of the department of Irrigation and Reclamation H. Tuichiev. The vice-rector for Youth Affairs R. Choriev and senior lecturer of the department "Physics and Chemistry" N. Tukhtaeva made reports on the future of our country and the prospects for the development of the country. In our country, from the first years of independence, as one of the most important tasks of the state, it planned to educate a physically and spiritually mature, comprehensively developed generation. It is necessary to protect the political, spiritual and social interests of youth, to create all opportunities for them.

The head of the press service of the institute Rakhimboy Djumaniyazov.
