

Meeting of students with the Vice-Rector

Today in the lecture hall 2 of our institute was a meeting of the first-year students of the faculty "Land Management" with the Vice-Rector for Youth Affairs R.Choriev. The meeting was opened by the Dean of the Faculty Sh.Narbaev, who explained the students with real-life examples the internal procedures of the institute, behavior, dress code and requirements and gave recommendations. After that, the Vice-Rector for Youth Affairs of the Institute R.Choriev delivered the formation about a healthy spiritual and socio-psychological environment in the minds of every student studying at the educational institution. It is necessary to preserve its prestige, to bring up students who meet the highest moral and ethical standards, who follow the rules of etiquette.

Every student should know the internal rules of the institute, in particular, high moral and ethical qualities, a sense of responsibility to society, the state and the family, a correct understanding of domestic and foreign policy, patriotism, enterprising and entrepreneurial. It also encourages students to develop, maintain and protect their spiritual immunity in their minds, to prevent any actions aimed at violating morals among young people.

Vice-rector of the institute R.Choriev told the first-year students about the conditions created for young people at the institute and the favorable conditions created for their full development and education, and called on students to be active in the social life of the institute. During the meeting, the students received detailed answers to their questions. Active students also shared their suggestions and appeals. The meeting was held in the spirit of lively questions and answers.
