

## Khislat's temper in the final stage of the Universiade-2020 sports competition

One of the sports that reflects our national identity is Kurash. Pirmatov Khislat, a student of the group 4/17 of Hydromelioration Faculty, took an active part in the final stage of the Universiade-2020 kurash competition, which was held in Andijan region on January 20-22, 2021. He took the 2nd place. We are confident that this result will lead him to higher levels.
