

The presentation of a book

The book is a masterpiece, the most important source of the achievement of a cognitive and spiritual healing. It is also important to read books in the national language, to learn the proper knowledge, to engage in science, There are many related proverbs and sayings. For example, "Mind without books - a bird without wings", "Sign of happiness - knowledge", "Science is intellect", "Beauty in knowledge" and so on. It is possible to continue these sayings more long.

Most importantly, the truth that is based on these folk wisdom, which has been glorifying thousands of years and showing the right path to any generation as a traveling star, is that the main factor of human's education, professionally and morally happy life is in being a friend with book, always reading books. The book has a special place in the lives of young people, in a peaceful and prosperous life. It is a good book that motivates people to love the Homeland, to respect national and universal values, and to good and noble deeds.

The creative dialogue was held at the institute with the laureate of National Prize 'Oltin Qalam', academician of the Turon Academy of Sciences, well-known director Khamid Kakhramonov on topic "IBRATLI, IJODKOR INSONLAR" (Exemplary Creative People). The presentation of Khamid Kakhramonov's book, "Daholar suv ichgan daryolar" (The rivers strengthened by geniuses) also inspired the audience spiritually.

The event was attended by members of the Writers' Union of Uzbekistan Umida Abduazimova, honored journalist of Uzbekistan Dadakhon Yokubov, daughters of Abdulla Aripov Shoira and Yulduz Aripova, well-known artist Gaybulla Kuchkorov, Artist Sveta Hudoyberganova. Their performances were directly linked to the reader's culture and the director's work of Hamid Kakhramonov. Impressions and memorabilia were fun and exciting.

The book is the heart of wisdom and the wing of thinking. Especially when it comes to the smell of a fragmentary scent that is printed in a book and can not be found in the electronic version, it is a pleasure to read books and enjoy the idea of reading books with.

Amir Temur said: "The Book is the basis of all creativity and intelligence, the basis of knowledge, the creator of life." In this sense, regardless of its form, all books should serve to promote national identity and universal values.

Mr.Khamidulla is acknowledged as the "Best Director" in the nomination of realizing the image of Amir Temur in Central Asia and Kazakhstan. The reason for such success is the cooperation with prominent actors such as Shukur Burhanov, Zikir Muhamadjonov and Shukhrat Abbosov .

As the President has emphasized, in today's difficult and dangerous time, the warm words of the writer focusing on the future of humanity and inviting people to benevolence and tolerance are more important than ever before.

At the end of the event, Khamidulla Kakhramonov was given with memorable gifts from the Institute staff and our rector Uktam Pardaevich Umurzakov and the Founder of the Academy of Fine Arts Academy.
