

## Our homeland is a great national treasure

On April 21, 2021 at the Faculty of Organization and Management of Water Resources together with the Ecological Party of Uzbekistan a round table on the theme "Our Homeland is a great national treasure" dedicated to the "World Earth Day" was held. It was attended by representatives of the Executive Committee of the Central Council of the Ecological Party of Uzbekistan, the teaching staff of the Department of Ecology and Water Management, students of the "Ecology and Environmental Protection" direction of education.

Participants of the event listened to interesting reports and received detailed information about the Ecological Party of Uzbekistan. Nine students of the Faculty received party cards as they became members of the Party. At the event, opinions were expressed on further cooperation between the Faculty and the Ecological Party of Uzbekistan.
