

SECRETS OF SUCCESS

✘ On May 20, at the Faculty of Water Resources Management and Management, a round table on "Sales Development Expert, Business and Success Trainer" was held under the leadership of Hushbakov Jumanazar. At the same time, the expert conducted a training workshop on "Marketing Sector Improvement". At the initiative of the Faculty of Youth Council, active students of the faculty took part. During the training, the students received answers to their questions. Students who have their own business idea have learned how to do successful work.
