

The meeting organized for the freshmen

On September 21, 2021, Department "Youth Affairs, Spirituality and Education and public organizations" of the institute held a meeting with first-year students of the Faculty "Land Management". The meeting was attended by the head of the department "For youth affairs, spirituality and education" Z. Khaidarov, deputy chairman of the student sports club M. Norkobilov, deputy chairman of the trade union committee M. Yakhoyev and director of the Palace of Culture J. Komiljonov. Head of the department of "Spirituality and education" Z. Khaidarov in his opening speech informed about the attention that the state pays to the education of young people these days, the opportunities for them to receive a comprehensive education. The activities of scientific, creative, artistic and sports clubs of the institute were also discussed. In addition, information was provided on the availability of modern technologies for students to obtain excellent knowledge during their studies. ❌

Representatives of public organizations of each institute gave full information and provided information about their activities, about various clubs so that students could meaningfully and productively spend their free time. Undeniably, all the students were pleased with this meeting. They asked questions based on their interests. At the end of the event, the students received the necessary answers.
