

"Language is the mirror of the nation"

On October 21, 2021 at the Conferene hall of TIIAME on the occasion of the 32nd anniversary of the state language- Uzbek language, for teachers and students of the Faculty of "Organization and Management of Water Resources", there was organized the event called "Language is the mirror of the nation". The event was opened by the dean of the faculty R. Khakimov, who spoke about the importance of our native language, the role of language in the development and progress of nations and peoples.

After that, the vice-rector of our institute for youth affairs, spirituality and education - R. Choriev, congratulated everyone on the 32nd anniversary of the state language, by expressing the opinion that our ancestors played a great role in the development and improvement of the progress of our language, and the fact that we are all obligated to preserve the purity and beauty of our language. Poems, dances, performances and creations were prepared by the students of the faculty, During the event all participants could receive special spirit and charm from the organized event.
