

## My mother tongue is my pride

At Karshi branch of Tashkent Institute of Irrigation and Agricultural Mechanization Engineers there was organized the event "My mother tongue is my pride", which was attended by the deputy director H. Ravshanov. He spoke in detail about the growing generation and their use of mother tongue. In particular, all educational institutions and organizations widely celebrated the 32nd anniversary of the adoption of the Law "On the State Language" and this is the reason why we celebrate annually on October 21 - "The Day of the Uzbek Language". He noted that the presence of native speakers of Uzbek language, about 30 million residents live in our country, and the content of today's event "My mother tongue is my pride" is aimed at this goal.

In the image of our native language, nation and people, literature and history, our science has been preserved and developed. Literature, history, science and cultural wealth of a nation are its language, and it is a vivid demonstration of the identity of the nation and the people. Because their content, essence, thought, idea, image, image, expression are expressed in the national language. On the occasion of the 32nd anniversary of the status of the state language of our native language, professors and teachers happily accepted My mother tongue is my pride.

The focus of the event is on the legal criteria of our native language, sources of enrichment and attention to it. Students' poems about their native language, performances on stage and active participation in questions and answers made the event lively and interesting. At the end of the event, active students were awarded gifts.
