

We are one nation that speaks in two languages

Speaking about friendship and fraternity of the Uzbek and Tajik peoples in one of his speeches, the First President I. Karimov said this. This is a call for comprehensive cooperation. It is time for us to build relationships in social, economic and cultural fields. It is important to support the invitation of high-level guests from Tajikistan to cooperate with our institute. Khodzhazoda Arif Ashuri, chairman of the Land resources management and Geodesy committee of the Republic of Tajikistan, director of the State Property Registration Office Umariyon Rahman Fakerzoda, director of the State cartography factory Husanov Huseyn Sharifovich, head of the State Land Cadaster Mirzo Nazar, director of SUC "Sogd Zamin" Hayotov Abdurasul, Chief specialist of topography, photography and cartography department Mehmondust Bobonazarovich Hidirov, chief engineer of the Fazo and scientific designer of institute Kurbonzoda Fotech visited our institute.

Rector of the Institute U.Umurzakov welcomed the guests from Tajikistan. First, a short video about the Institute was shown. After presentation with the leadership of the Institute, the information about the educational and scientific activities of the Institute, as well as the students from Tajikistan were trained. The information on the diploma issued in Uzbekistan and the conditions for its admission to Tajikistan was exchanged. It was noted that the closeness and similarity of our millennial national values and culture is a good basis for the training of highly educated personnel. It was noted that the Institute for Strategic Studies is always ready to create conditions for Tajik students to study on preferential terms. Both sides felt the need to cooperate in a friendly manner.
