

## Qualified personnel - the future of the country

Naturally, much attention paid to knowledge and practice, since the future of the country should be achieved through knowledge, skills and experience. The group of scholarship holders "El-Yurt Umidi" Founded under the Cabinet of Ministers of the Republic of Uzbekistan, including Abdusaid Zhalilovich Isakov, dean of the faculty of Energy Supply of Agriculture and Water Resources had an internship in Moscow State Agrarian University named after K.A. Timiryazev from October 14 to November 18, 2019. This basis was the agreement on academic cooperation between the Russian State Agrarian University, signed at the forum of the rectors of Uzbekistan and Russia.

One of the main tasks of continuing education is the development of sectors of the economy and social sphere of the country, the use of innovative technologies in production, the formation of ideas and thoughts on the development of the industry, improving the quality of education and the process of its organization. Questions discussed about the role of universities in international rankings and the prospects for further development of cooperation in scientific and educational work.

Press secretary of TIIAME R. Djumaniyazov
