

Seminar-training on "All opportunities organized by the President for young people and their rational use"

On January 22, 2021 was held a seminar-training on "All the opportunities organized by the President for young people and their rational use" with the participation of the group 115 students of professional education specialty of Hydromelioration Faculty. Opportunities provided by our President:

1. "Presidential grant" for 1,200 youth
2. Preferential education loan for families with two or more children.
3. Monthly supplements are paid for youth leaders of higher education institutions.
4. The quotas of the Presidential Scholarship will be doubled.
5. From 2021, a future scholarship competition will be organized among schoolchildren and university students.
6. Through this, 50 billion will be directed to the best innovation and startup projects of young people.
7. Youth small industrial zones will be established.

These initiatives and others were promoted to the group through the Workshop. The seminar was promoted by the group leader Azimov Sarvar and the group coach Mukumova Dilrabo. The purpose of the seminar is to ensure that the future and bright days of our country are in the hands of our young and educated generation, so the President signed a wide range of laws and decrees for all students in order to encourage our youth. It was noted that in addition to instilling confidence and devotion to the motherland in the minds of young people, increasing their self-confidence can only be achieved through knowledge. We achieved very good and effective results from the seminar training.
