

The language is the image and pride of every nation

Uzbek language is one of the richest and most ancient languages in the world. It is not a surprise, the 32th anniversary of the status of the Uzbek language as a state language has being widely celebrated in our country. Today, on the initiative of the dean of the "Land Management" faculty Sh.Norboev, the head of the department of "Young writers of the Union of Writers of Uzbekistan" Alisher Boimurodov also took part in the event.

Our guests of the event were delighted that the audience could listen to the enjoyable performances with his funny jokes. In addition, artistic performances of talented and enterprising students of our faculty, wonderful songs and dances, which were performed by our students, could provide the audience a good mood. The event took place in the 1st dormitory of the Faculty of Land Management.
