It's not a secret that our country pays a special attention to the younger generation and with this aim the spiritual and educational event under the motto "Give peace to children" was organized in the № 21-orphanage. The first-year students of the Faculty "Land Management" under the guidance of the group trainer S. Abdurakhmanov, there was organized a visit to the branch of the № 21-orphanage in Tashkent, Yunusabad district, house 19, house 18, house 137. There Mrs Umida looked after 5 children from № 21-orphanage. The event was opened by coach 105-th group-associate professor S. Abdurakhmanov. 

In his speech, he noted that in our country, special attention is paid to the education of young people as harmoniously developed people, all conditions and opportunities have been created for them to grow mentally and physically healthy. During the event, the inmates of the orphanage were shown with the care of the President of the Republic of Uzbekistan for the healthy and harmonious upbringing of the younger generation. It was informed about the conditions and opportunities and emphasized the need to value them. At the end of the event, from charitable funds raised by the students of the faculty, they presented a large wardrobe and winter clothes to five children.
