

## Charity event under the motto "Noone left behind "

When people receive birth, they have to go through various trials and adversities throughout his life, both expected and unexpected. The most important thing is to have people and friends who can support you during your trials. Mannopov Abrorjon, a third-year student at the Faculty of Energy Supply in Agriculture and Water Management, also suffered an unexpected illness. Abrorjon, diagnosed with cirrhosis of the liver by doctors, he should be immediately sent to India for liver transplant. Due to the difficult family situation, Abrorjon's treatment is extended day by day. After identifying the situation, the members of the Institute's Youth Council organized Charity event under the motto "Noone left behind".

During a charity event, students and teachers of the institute raised money for the treatment of Abrorjon. The one-day campaign was funded by members of the Institute's Youth Council and witnesses, and raised 17,700,000 (seventeen million seven hundred thousand) soums. At the end of the day, the funds raised and letters from Abrorjon's friends with wishes of health were handed over to the parents of Abrorjon by the youth director of the institute D. Rasulov.

Abrorjon's parents expressed deep gratitude to the entire community of the institute for the donations, as well as to the activists of the primary organization of the Institute's Youth Union, who organized this event. We also want to thank all the students and teachers, who took part in the charity event, wish Abrorjon good health and hope that he will soon return to the Institute for his studies. Those who cannot participate in the action and wish to help can transfer money to the plastic card number or call the phone number.
