

## The flame of courage and compassion

As it informed earlier, the first charity action started in Bakht city of Syrdarya region. Today, special boarding school # 34, located in Angren city, Tashkent region, visits the orphanage for children with special needs.

For the next charity involved:

1. The leaders and students of faculty "Organization and management of water resources"
2. The leaders and students of faculty "Hydro melioration"
3. The leaders and students of faculty "Mechanization of hydro melioration works"
4. Leaders and active students of the Faculty of Land Management led the preparation of high-level students, who contributed more or less the contribution of the Institute to the needy.

The program developed with wonderful gifts and games organized for each of the 200 pupils including fairytale heroes and snowmen. The festive mood shared with the children. Everyone was happy. It is hard to describe. All the faculty leaders have done a great job. Practical work is still ahead. We hope that our friendship and harmony last forever. Did you do some good work today to celebrate the New Year?
