

The need to block various threats

In order to combat the threat of extremism and terrorism, the number of terrorist-related crimes in our country has decreased several times over the past year. It was noted that today young people are one of the most dangerous and acute problems, and this situation is taking place in many countries around the world at a time when a complex of social, cultural and moral issues is waiting for a solution. A spiritual-educational meeting on "Extremism, terrorism as a threat to the future of youth" was held. It was attended by the Dean of the Faculty A.Fathulloyev, Deputy Dean for Youth O.Habibulliev, Deputy Deans of the Faculty N.Shaymanov, S.Mansurov and A.Karimov, as well as professors and students.

At the end of the event, it was planned to hold such events on a more cooperative basis, thanking the expert for saving valuable time. During the live chat, students received detailed answers to all their questions from experts.
