

## Sport unites us

Today, the Republic of Uzbekistan attaches great importance to the development of sports and international competitiveness of young athletes, training of athletes with high physical potential and mental strength. The second initiative of President Shavkat Mirziyoyev, from the 5th initiative, aimed at creating the necessary conditions for the physical education of young people and manifesting their abilities in sports.

Nowadays, it is safe to say that all the institutions of higher education in the country have all the conditions for sports. For the purpose of meaningful organization of leisure of students, the faculty of "Land management" from February 23 of the current year the dean of faculty Sh.Narbayev with Kh. Eshova vice dean of Youth Union of the Faculty, organised Dean's Cup "Sports Week" under the motto "SPORTS UNITED".

This week's "Sports Week" was a football match between courses. Talented students of the faculty took active part in this competition. As the tournament organized across all courses, the games were intense. The third place was taken by the students of the 3rd course of Geodesy, the second place - the 1st year Cadastre, and the first place awarded by the 4th course students. We thank all the participants. This competition is the opening of the sports week at the faculty. During the week, other sports will be organize. All winners will awarded with diplomas and prizes at the weekend.
