

Partnership of three sides

The essence of the partnership consensus is to educate the younger generation, to serve the interests of the people by forming a perfect human being. Career training is the pursuit of this goal. On April 23, a meeting was held at our Institute for graduates of the 33rd elementary school of the Chinaz district of Tashkent region within the framework of the "Partnership of the School, Mahalla and Higher Education Institution". Graduator visited the institute's laboratory rooms, libraries and lecture halls, to get acquainted with the conditions created for study at our institute. Professors of our Institute are prof. A.Yakhshiev, dos. B.Oralov, assistants K.Musaev, D. Yulchiyev and M.Jahonov gave their recommendations on their professional orientation.

The press secretary of the Institute, Rakhimboy Jumaniyazov
