

How to choose the Q1 or Q2 to publish the scientific article

On April 23, 2021 at the initiative of the department of scientific research, innovation and training of scientific and pedagogical staff for faculty, doctoral students and young scientists was organized online seminar on "Identification and publication of Q1 and Q2 journals included in the database Scopus and WOS". The seminar was moderated by Mehriddin Tursunov, a leading expert of the Expert Center of the State Committee of the Republic of Uzbekistan on Ecology and Environmental Protection. The webinar was held in a dialogue format.

Participants of the webinar received full and clear answers to such questions as:

1. Which journals belong in quartiles Q1 through Q4?
2. How are the Q1 to Q4 quartile logs defined?
3. What are the basic requirements for quartile logs Q1 to Q4?

Wise rector T.Z. Sultanov also gave his suggestions and recommendations on this topic to the speaker M. Tursunov and the participants of the webinar.
