

Selection and discussion of disciplines with employers

In order to ensure the implementation of the tasks set in the Decree of the President of the Republic of Uzbekistan dated May 8, 2018 No. PP-3702 "On measures to radically improve the system of training with higher education in the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers", in the Decree of the President of the Republic of Uzbekistan dated October 29, 2006. On April 22, 2021 in TIIMSH there was organized a seminar with the participation of leading experts from industrial organizations and industry representatives to discuss the disciplines of choice and additional disciplines in the curricula of Bachelor's and Master's degree programs.

The seminar was attended by heads of departments of JSC "National Electric Networks", the head of the JV "UzKabel", the head of the department "Physics-Sun" of the Academy of Sciences of the Republic of Uzbekistan, a senior research fellow of the Institute of Energy and Automation of the Academy of Sciences of the Republic of Uzbekistan, the head of the International Institute of Solar Energy of the Academy of Sciences of the Republic of Uzbekistan.
