

## Volleyball competitions took place in our institute

On April 23-24, 2021 in the sports complex of the Tashkent State Transport University held volleyball competitions among students of Tashkent higher educational institutions (men). In these competitions the combined team "Irrigator" took an honorable 2nd place. At the end of the competition the winning teams were awarded with diplomas and medals from the Volleyball Federation and the management of the Tashkent State Transport University.
