

## the results of the competition "Our planet is our Future"

On April 15-17, 2021, TIIMSH held a competition among talented young people under the motto "Our land is our future" organized by the Land Management Department. On the first day of the competition, more than 30 paintings and designs of talented students were presented on the theme "Land is our only home. On the second day of the contest an intellectual game "Earth - the source of society's wealth" was held. In the competition participated 18 teams of departments of our Institute. On the third day of the contest a video competition "Let's Save the Earth" was held. There were 45 videos prepared by students.

On April 23, 2021, an awards ceremony was held at the institute for the winners of the competitions under the motto "Our Land - Our Future". The first, second and third place winners in each category were awarded cash prizes and souvenirs.

First place - 1 million 400 soums

Second place - 940 000 soums

Third place winners were awarded certificates worth 700 000 sum.

Representatives of partner organizations, the Uzdaverloiha Research and Design Institute, the International Water Management Institute, and sponsors presented commemorative gifts.
