

International Day for the Conservation of Biological Diversity

The UN initiative on May 22 was proclaimed the International Day for the Conservation of Biological Diversity. This ecological history is widely celebrated in our country as in the whole world community.

In this regard, on May 22, 2019, Tashkent Institute of Irrigation and Agricultural Mechanization Engineers held a seminar dedicated to this day. The seminar was organized jointly with the Legislative Chamber of the Oliy Majlis of the Republic of Uzbekistan, the Ecological Party and the State Committee for Ecology and Environment Protection.

The seminar was opened by pro-rector of the institute Tahir Sulstonov. At the seminar, Kurbanov Abdurahim Eshankulovich, a deputy of the Brigade of the Oliy Majlis, spoke about the massive biodiversity issues. Then the Department of "Ecology and Water Resources Management", prof. Karimov BK The global status of biodiversity and ecosystem services. Member of the Ecological Committee, Azizov Sh.V. and Deputy Chairman of the Tashkent City Committee Sharipova Diyora gave information about the tasks of the Ecological Party. At the end of the seminar, students were admitted to the Ecological Party. At the same time, nearly 100 institute students received a membership card from the party. Today more than 300 students and teachers of the institute have applied for membership in the party.

The press secretary of the Institute, Rakhimboy Jumaniyazov
