

The way of identifying gifted students through organizing meetings

It is worthy to mention that these days we are aware about the opportunities for talented youth in the whole world, due to this a number of activities is being done to assist the young people. As a result of such attention at the faculty, holders of state scholarships of the President of the Republic of Uzbekistan, winners of international and republican scientific Olympiads, competitions are currently being formed. Additionally, in order to support the research activities of young people, a department "Organization of scientific research" is being created. Gifted Student Union is planning to organize a series of meetings with freshmen students in all faculties. Another such meeting was held a day before at the Faculty of Energy Supply, Agriculture and Water Resources. The meeting was attended by the dean of the faculty A. Isakov, deputy deans, young teachers of the faculty, holders of the State scholarship of the President of the Republic of Uzbekistan and a number of talented students.

It should be noted that these days people are coming across with the opportunities that opening opportunities for talented youth in our country different activities are being done to support them. As a result of such attention at the faculty, holders of state scholarships of the President of the Republic of Uzbekistan, winners of international and republican scientific Olympiads and competitions were invited for this particular event. During the meeting there was discussed the opportunities that gifted students, will be assisted how to organize research activities, how to search in order to receive a state scholarship from the President of the Republic of Uzbekistan and other state scholarships. The event was also attended by talented students, holders of the State scholarship of the President of the Republic of Uzbekistan Dilmurod Akbarov and Rukhshona Igitaliev, who shared their life experience on receiving such a high state scholarship. The meeting was held in a good mood, full of questions and answers and aroused great interest among the students. Students shared their thoughts on how to organize a lot of such events.
