

## Charity event

The Faculty of "Agricultural Mechanization" and "Kind Hands" organization organized a charity event. Initially, they visited a family which have lost their breadwinner in Tansiqboy makhalla . Then, in Archa Street makhalla they granted some food and one million soums to a patient with tuberculosis to undergo chemotherapy.

A family with a disabled child was provided with food for a month, in Keles district. In total 2 mln. 777 thousand soums were collected to charity. We would like to express our sincere gratitude to the students of the faculty of AM for their contribution to the charity event.
