

## Introduction with the activities of TIAME psychologist

It is worth mentioning that on September 24, 2021 in the 7th lecture hall of the Agricultural Mechanization Engineers faculty, a meeting was held to familiarize with the activities of TIAME psychologist the first year students.. The meeting was opened by the deputy dean for Youth affairs K. Usmanov, who gave the floor to the psychologist of the institute. The psychologist of the institute Mukhayo Mukhamedova made a report on the topic "The activity of the psychologist of the institute" and told the students about the differences in duties between psychologists and other specialties. 

The meeting was also attended by Deputy Dean for Academic Affairs A. Isakov, Deputy Dean for Youth Affairs K. Usmanov and group leaders of the group. At the end of the meeting, the students received answers to their questions from the psychologist of the institute. Besides that brochures about the activities of the psychologist of the institute were distributed, and the event ended in a good mood.

Information of TIAME psychologist M.K. Mukhamedova
